Beyond The World Bank Agenda

In Beyond the World Bank Agenda, Howard Stein argues that the controversial institution is plagued by a myopic, neoclassical mindset that wrongly focuses on individual rationality and downplays the social and political contexts that can either facilitate or impede development.

and through that relationship, works to build a partnership that supports Member States and contributes to effective development outcomes while preserving the distinct mandates of each institution.

Sustainable Development Goals (SDGs) and The 2030 Agenda

The fact that the World Bank is using much the same rhetoric of “transformation” suggests that the IFIs are as much running to catch-up with as leading the new zeitgeist (cf. Sheppard & Leitner, 2010), often in response to some of the same underlying drivers. 23 Given that the President has a long-held vision of Uganda as a modern country that pre-dates these drivers, including the discovery of significant oil finds, it seems possible that the new agenda of transformation may command ...
