GAO discussed some of the issues surrounding the future of the federal civil service. GAO noted that: (1) Congress has periodically updated its provisions in response to changing conditions; (2) reforming the current civil service system involves creating a system that meets the requirements of the current workplace and is flexible enough to respond to future demands; (3) private-sector ...

Civil Service Reform: Changing Times Demand New Approaches

If the dairy industry is to meet the challenge dictated by changing times, we must employ new marketing approaches. These new approaches must include the following: (1) Better-trained marketing people in our industry. Our dairy manufacturing graduates need to have a better knowledge of the marketing concept being used in business today. (2)
