Exalted 2nd Edition

Exalted has a rich background that gives almost limitless possibilities with stories, and this Second Edition streamlines the combat, charms and spell rules so battles go by a bit faster. And if you played 1st Edition, the supplements are still just as valid and converting stats of NPCs aren't going to be major headaches.

Summary Edit. From the White Wolf catalog: Do not believe what the scientists tell you. The natural history we know is a lie, a falsehood sold to us by wicked old men who would make the world a dull gray prison and protect us from the dangers inherent to freedom.

The Second Edition seems to imply that its story is the prehistory of our own world on its back cover, but this idea is not explored in any depth past that book; while the last book of Second Edition would posit a modernized world with the Exalted, it was clearly a technologically advanced version of Creation – the world of Exalted – rather than Earth.

Review of Exalted Second Edition. Goto [Index] Exalted. This would appear to be White Wolf's attempt at High Fantasy. As it uses the storyteller system, one might be forgiven for thinking it might be World of Darkness in fantasyland, but there are more significant differences between it and WoD than just that- principally, though, this is a ...

A good example of this from 2nd edition was Solar Hero Style, AKA [Fist of the Daystar Style], which can allow a player character to punch people so hard that they'll fly off several dozen yards and take damage if they hit stuff on the way, or throw people around like ragdolls, or kick down massive castle walls or gates with a single blow, or use giant Yak-creatures as weapons. Think Dragon Ball Z style fighting (without energy

Exalted, Second Edition PDF

First released in 2001, Exalted took fantasy gaming by storm and launched a renaissance of pulp-inspired, high-octane, swords and sorcery roleplaying which continues to this day. Its first edition was one of the most popular roleplaying games of the 2000s, and its second edition led the charge into digital publishing, establishing a record number of best-selling digital products.

Thinking back on it, I realize that a lot of the things I like in Exalted tended to stem from 1st edition rather than 2nd edition. But, 2nd edition had it's points. Infernal Exalted, at least mechanically, were the bees knees. It's been a long, long time since I had an RPG splat I dug conceptually as much as them. Too bad their fluff wasn't able to keep up. The 2nd edition Lunar book was head and shoulders above 1st edition.

This is the story of that time. Exalted is a game of epic fantasy set during the Second Age of Man, a time before our own. It is an age of magic and adventure, when heroes of legend are reborn into a time of woe. At the dawn of the First Age, the gods gave power to men that they might slay the gods' Primordial enemies.
