AP* Test Prep Series AP BIOLOGY - Pearson School

Excellent! The best test-prep book (in any subject) that I've
come across so far. I used this book to study for the AP Biology
exam without having taken AP Biology, or any other Biology
course, and didn't start studying until the spring semester before
the AP Biology Exam, but still managed to score a 5.

AP Biology Campbell Active Reading Guide Chapter 10 ...

12. Platyhelminthes means “flatworm,” which describes the shape of these worms. This is the first phylum we are studying that is triploblastic. This group is acoelomate, a term you learned in the last chapter. It is the only acoelomate group we will study, so be sure to know this. As you read this paragraph, complete the line on the chart for Platyhelminthes at the end of this
