Amazon.com: Seductress: Women Who Ravished the World and ...

I adore this book! It is all portraits on women throughout history who have, as the title says, ravished the world and everyone around them. the book is separated into different sections depending on the type of seductress the woman was. It's a fascinating read. I think the saddest part, though, is how little-known most of these women as.

Seductress: Women Who Ravished the World and Their Lost ...

The great appeal of the seductress is that she has always reversed the artificial male advantage and recovered women's innate erotic primacy. "Seduction," says philosopher Jean Baudrillard, restores "female sovereignty." Women are the master sex in sex.
